EfVET in a nutshell

Creation: Founded in 1991, in the Netherlands, with the main purpose of building a network of VET practitioners and institutions to secure a voice across Europe in both policy-making and practice arenas.

Mission: EfVET aims at enhancing VET provision across all its members through an active networking of all the key actors and to create the capacity to influence policy at European and National level.

Vision: EfVET aspires to become a leading contributor to the enhancement of VET in Europe.
